Carolyn J. Brown, CEO of The Accountant's Office, is the recipient of the U.S. Small Business Administration 2010 National Women in Business Champion award. "I am so honored and humbled to be the first woman from Arizona to receive a national SBA award. National Small Business Week in Washington DC was a fabulous experience! From the State Department reception to meeting President Obama in the Rose Garden to the black tie gala where my award was presented, everything was perfect. It was the experience of a lifetime," says Brown.
